Special Correspondence.

Roß, I. T., Oct. 7.—Our vacant town lots were sold yesterday and the day before by Commissioner A. W. Hooley of Ardmore, assisted by D. W. James and Claude Masters. Quite a good deal of interest was manifested and all the lots brought fancy prices.

Owing to the washout on the Frisco we have not had a through train until today, but traffic was pretty brisk today and it will only be a few days until everything will be running smoothly again.

Cotton continues to come in at a lively rate and the merchants, as well as the farmers, are very much elated on account of the high prices, as the prices of cotton draws the fleecy staple to this place from a distance of twenty-five miles.

Chamberlain's Cough Remedy.
No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures coughs and grip permanently and effectively, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. It is also pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly and very few are willing to take any other after once having used it. For sale by F. J. Ramsey, Ardmore Drug Co. and W. B. Frame.

When a man has no notion that he is entitled to any of the money he earns he is called a fairly good hand.

DO YOU BELIEVE IN SIGNS?

A mark, note, token or symptom, indicates that by which anything may be known, that is, we are forewarned if evil is to befall us, or we have the pleasure of anticipation if the signs betoken a fortunate occurrence. Accidental occurrences all have their signs, every disease has its symptoms. The point is to heed the former and counteract the effects of the latter. Spells of sick-headache follow indigestion and stomach disorders, belching, biliousness and dyspepsia are signs of sickness. People that believe in these signs and know that they are true from experience, can get immediate relief and a speedy cure by the use of Dr. Gunn's Improved Liver Pills. Sold by druggists for 25 cents per box. Only one for a dose. For sale by W. B. Frame, druggist.

No, Maude, dear; there is no similarity between a dinner coat and an Elton jacket.
